### Empower Your Practice: Learn How to Support Cancer Clinical Trials.

We'll share how you can directly impact patient care through local involvement in clinical trials. You'll gain in-depth understanding of clinical trials and their role in cancer care.

#### Why Attend?

1. Gain practical insights on clinical trials.
2. Learn to collaborate with cancer centers.
3. Improve patient access and outcomes.
4. Hear firsthand from trial participants.

Rolling registration.

Register one-time to access all sessions. Attend as your schedule allows.

#### Topics Include:

- ☒ Clinical Trials Fundamentals
- ☒ Enhancing Partnerships
- ☒ Successful Recruitment Strategies
- ☒ Broadening Participation
- ☒ Community Outreach & Education

#### Who Should Attend:

Radiologists, Oncologists, Hematologists, Family Physicians, Physician Assistants, Nurse Practitioners, Nurses, Pharmacists, Social Workers, Patient Navigators, Community Health Workers, Cancer Clinical Research Staff

This education is partially supported with funding for the PA Department of Health to the Penn State Cancer Institute's Office of Community Outreach and Engagement.

## “All Teach, All Learn”

The Project ECHO model of continuing education leverages the power of all participants learning and sharing together. ECHO sessions consist of a brief educational presentation with Q&A, followed by group discussion on de-identified cases submitted by participants. It is a guided, virtual learning community aimed at supporting attendees in caring for their clients.

### PARTICIPATING IS FREE, SIMPLE AND VIRTUAL

- No need to travel. Participation takes just one hour of your day.
- Register for the program at no cost, and get reminders for upcoming sessions.
- Sessions are held via Zoom.
- Submit real world scenarios (if you want) for expert review and consultation during sessions.

### BENEFITS FROM PARTICIPATION

- A learning community of providers like you.
- Presentations from subject matter experts on topics you help to select.
- Suggestions on managing your most complex clients.
- Free continuing education credits.

In support of improving patient care, this activity has been planned and implemented by Penn State College of Medicine and Project ECHO. Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Project ECHO® designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## What to Expect

- Experts dedicated to sharing knowledge with you and learning from you
- A welcoming atmosphere where people feel comfortable participating
- Responsiveness to your feedback on evaluations
- Respect for your experiences, skills and time
- Increased knowledge

## Project ECHO

Project ECHO (Extension for Community Healthcare Outcomes) is an internationally-recognized, evidence-based approach to continuing education and tele-mentoring that leverages the power of sharing knowledge across miles and across disciplines. Project ECHO started at Penn State College of Medicine in 2018 and aims to improve health outcomes and access to care within and beyond Pennsylvania.
